The Stash Buster Necklace is crocheted with worsted acrylic yarn. To make it smaller or larger, select a different weight yarn and adjust hook size accordingly. To make a longer necklace, increase the length of the necklace strand. Work decorative tube in a continuous **spiral**.

Necklace

With chosen yarn, make a slip knot around the crochet hook.

- ① Ch until strand measures 5.5 yds (5 m). **Fasten off** leaving a tail for sewing.

Decorative Tube

With chosen yarn, ch 8. Join with a sl st in first ch to form a ring. Do not twist the chain.

- ① Ch 1, sc in same st as sl st. In a continuous spiral, sc 63 times. Sl st in next st. Fasten off. Weave in all ends.

Assembly

Thread necklace into the decorative tube six or eight times to create a multi-strand necklace. Ensure finished size will allow your head to pass through. With a tapestry needle and the long tail for sewing from the necklace, sew the ends of the necklace together. Fasten off. Weave in all ends.

Finishing

Sew embellishments of your choice onto the decorative tube. ♥
