

## **#WriteYourWayToTheTop!**

**Why is your performance evaluation so important?**

**“You are writing so that someone knows what you do, how you do it well, and why it is important to the organization”**

**–Dr. Antwain Tate Goode**

Command your raise!

Tate Consulting has the online course that will help you manage your career and share awareness into your talent and skill through your writing! This is a course that I should have been taught in high school, in my college years, or my first week on the job. No one has ever shared the significance of this document. Well, you have a game changer with our online writing course entitled “*#Write Your Way To The Top.*”

The outcomes of the online writing course:

- You will have ownership of your career development
- No more bad performance reviews
- You will be able to justify your “Raise” through your writing
- The course walks you through the five stages of the writing process
