Established in 1959, Covert Farms Family Estate Winery is located in Oliver, British Columbia on 650 acres. Winemaker Gene Covert is a third generation farmer who worked this land with his father and grandfather. Our certified organic estate vineyards are influenced by neighbouring McIntyre Bluff and managed with biodynamic practices.

We craft our estate wines with minimal intervention, using natural fermentation when possible to focus on vineyard and fruit. Our white wines display a purity of fruit and crisp natural acidity coveted by growers, and farming with low yields results in terroir-focused artisan reds that are luscious and age-worthy.
