

## Statement of Faith

The Bible is God's Word, inspired by Him, without error and it fully and finally discloses the content of faith.

God is eternally co-existent as Father, Son and Holy Spirit.

Jesus Christ is God's Son, descended from David, born of a virgin. He lived a sinless life, performed signs and wonders, suffered, was crucified, dead and buried. He rose from the dead and ascended into heaven and is returning again.

The Holy Spirit is God and His work in the human heart brings spiritual rebirth. He indwells each believer at the moment of regeneration and empowers them to live the Christian life and marks the believer as a guarantee of eternal life.

Man is created in God's image yet is sinful and in need of salvation.

Salvation is available to all as men may be reconciled and restored to right relationship with God by grace through faith in Christ.

Eternal life begins at the moment of conversion and extends beyond the grave to everlasting life. Those who are saved receive eternal life and the unsaved are banished from God's presence forever.

The church is the body and bride of Christ, its head, composed of all true believers of the present age and the organization of its members in local churches for worship, edification of believers and for worldwide gospel witness, each local church being autonomous but cooperating in fellowship and work.
