

#### HAIR SALON

## BE BAR

JUMEIRAH BEACH ROAD,  
UMM SUQEIM

**It's been open less than a year, but Be Bar already has a loyal following.**

That's down to its bright and breezy surrounds in the heart of Umm Suqeim, sociable vibe and wearable, long-lasting hairdos that look incredible.

**Relax, you're in expert hands.**

Hailing from the US, founders Andrew and Lindsay oversee all aspects of the

salon, from designing the space to training the staff. They're also both hair health experts – after a complimentary analysis, they'll tailor your treatments to address your needs.

**With seven signature blow-dry styles at a flat Dhs150 fee, there's something for everyone.**

Take your pick from Be Flirty, Be Voluminous, Be Curly, Be Beachy, Be Romantic, Be Sleek

and Be Chic, and add a braid for Dhs40. The stylists can also create some pretty spectacular up-dos, priced from Dhs300.

**There are no sore necks here.** The shampoo room features comfortable lie-flat beds, tranquil music and dimmed lights, and you'll also be treated to a pampering mini scalp massage. ☺
