### BOARD CERTIFICATION & LICENSURE

Board Certified in Clinical Neuropsychology by the American Board of Clinical Neuropsychology (#6511). Licensed by the Virginia Board of Psychology (#0810002956).

### EMPLOYMENT

**Current**      **Associate Professor** of Psychiatry & Neurobehavioral Sciences in the School of Medicine at the University of Virginia with appointments to the Institute of Law, Psychiatry, and Public Policy (ILPPP), the Neurocognitive Assessment Laboratory, and the Brain Injury & Sports Concussion Clinic

### TEACHING & SUPERVISION EXPERIENCE

- 2016-present**    **Faculty Panel Moderator** for Mind, Brain, & Behavior course at UVA School of Medicine. Topic: *mild TBI & PCS*
- 2007-present**    **Faculty Member and Lecturer** for Forensic Training Programs at ILPPP
- 2002-present**    **Primary Supervisor** for Neuropsychology, ILPPP, and Behavioral Medicine postdoctoral fellows, graduate students in clinical psychology, and Psychiatry residents
- 1997-1999**      **Graduate Teaching Assistant** in the Experimental Methods Laboratory at the University of North Texas, Denton Texas. Supervising Faculty: Paul Lambert, Ph.D.
- 1995**            **Graduate Teaching Assistant** in Research Design Laboratory at Northeast Louisiana University, Monroe Louisiana. Supervising Faculty: Caroline Minder, Ph.D.

### PRESENTATIONS

Invited Lecturer for Law & Neuroscience Senior Seminar at James Madison University (March, 2016). Topic: *Testifying in Cases involving Malingered Neuropsychological Impairment*  
Invited Panelist at the Annual American Conference Institute (New York City, October, 2015).  
Topic: *Standards of Care in Brain Injury Litigation*  
Faculty Lecturer at ILPPP Training Programs (since 2007). Lectures: *Malingering Detection in Adult Forensic Cases; Malingering & Deception in Adolescents*

Invited Grand Rounds Lecturer for Departments of Psychiatry, Neurology, and PM&R at UVA and throughout the region. Multiple topics (e.g., *malingering, dementia, dysexecutive syndromes, TBI, concussion*), 2002-present

UVA Neuropsychology Seminars. Sample Lectures: *Forensic Neuropsychology; Malingering; bedside mental status exam; concussion and PCS; dementias; stroke syndromes*

Invited Guest Lecturer at the Annual VAELA meeting (February 2013). Lecture: *Determining Capacity in Close Cases: A Neuropsychologist's Perspective*

Invited Panelist at the Annual American Conference Institute (Philadelphia, February 2013).  
Topic: *Mild traumatic brain injury in litigation*

Bender, S. D. (2003). *Neuropsychological assessment of executive functions in adults*. Paper presented at the ERRIS seminar series at University of Virginia Health Science Center

Davalos, D. B., & Bender, S. D. (2000). *The relationship between SPECT abnormalities and neuropsychological test performance in patients with TBI: A preliminary review*. Poster presented at the Annual Meeting of the Rocky Mountain Psychological Association.

Davalos, D. B., & Bender, S. D. (2000). *Clinicians' ability to estimate level of intellectual functioning in patients with Schizophrenia*. Poster presented at the Annual Meeting of the Rocky Mountain Psychological Association.

Rogers, R., Bender, S. D., & Cruise, K. R. (1997). *Preliminary data from simulating malingerers on the TOCA*. Presented at the annual meeting of the Society of Neuropsychologists, Ft. Worth, TX.

Bender, S. D. (1995). *Sucrose enhanced memory in humans*. Poster presented at the annual meeting of the Southwestern Psychological Association, San Antonio, TX

### SUPERVISED CLINICAL EXPERIENCE

**2000-2002 Postdoctoral Fellow** in Clinical Neuropsychology in the Department of Neurology at the University of Virginia. Diverse training and research experiences in clinical neuropsychology. Supervisors: Carol Manning, Ph.D., ABPP-CN, Neurology; Jeffrey T. Barth, Ph.D., ABPP-CN, Psychiatry.

**1999-2000 Predoctoral Fellow** at APA-accredited Clinical Psychology Internship Program at Yale University School of Medicine. Diverse training and research experiences in clinical neuropsychology. Supervisors: Keith Hawkins, Psy.D. & Richard Delaney, Ph.D., ABPP-CN

**1997-1999 Graduate Student Clinician** at (1) John Peter Smith Hospital in Ft. Worth, Texas. Supervisor: Andrew Houtz, Ph.D. (2) Cook Children's Behavioral Health Services in Denton, Texas. Supervisor: Lisa Elliott, Ph.D. (3) HealthSouth Plano Rehabilitation Hospital in Plano, Texas. Supervisor: Jay D. Duhon, Ph.D. (4) Therapy Practicum at University of North Texas Psychology Clinic in Denton, Texas. Supervisors: Richard Rogers, Ph.D., ABPP; Kenneth W. Sewell, Ph.D., Craig Neumann, Ph.D., & Thomas Boyle, Ph.D.

### EDUCATION

**1996-2000** APA-accredited Clinical Psychology Program at the University of North Texas; Forensic Neuropsychology Focus. *Doctoral Degree Conferred*, December 2000. Dissertation topic: Cognitive feigning detection in neuropsychological assessment: Validation of the TOCA. Defended: November 2000, Major Professor: Richard Rogers, Ph.D., ABPP  
Written Comprehensive Examination: Passed, August 1998

**1994-1995** Experimental Psychology Program at Northeast Louisiana University. *Masters of Science Degree Conferred*, May 1995. Masters Thesis: The effect of glucose on declarative memory. Defended: May 1995, Major Professor: Jack A. Palmer, Ph.D.

1987 - 1991 University of Texas at Austin. **Bachelor of Arts.** Major: Psychology. Minor: History

### RESEARCH AND CLINICAL TRIALS

2006-2011 **Principal Investigator** for study of resiliency of the Test of Memory Malingering in medical populations (IRB-HSR #11650)

2004-2006 **Sub-PI/Neuropsychologist** for Behavioral Medicine Center study of Internet Intervention for Insomnia. Responsible for neurocognitive test development, interpretation, and consultation on 3-year NIH project (R-34)

2000-2002 **Sub-PI/Neuropsychologist** for University of Virginia Health Sciences Center studies with various Pharmaceutical companies, including GlaxoSmithKline, Janssen, Bristol-Myers Squibb, & Eisai-Pfizer. All were multicenter, randomized, double-blind, placebo-controlled drug efficacy studies involving Alzheimer's Disease, vascular dementia, epilepsy, and/or depression

1999-2000 **Sub-PI/Neuropsychologist** for Yale University School of Medicine study with NIH and Eli Lilly Pharmaceutical. Two multi-center, randomized, double-blind, placebo-controlled studies assessing the efficacy of olanzapine in schizophrenia

### COMMITTEES AND ASSOCIATIONS

Institutional Review Board (IRB-HSR), Cognitive scientist for the University of Virginia Health Science System, since 2004

Academic Standards and Achievement Committee (ASAC), UVA School of Medicine, since 2015

Psychiatry Grand Rounds Committee, UVA faculty member since 2008

Virginia Psychological Association, member since 2007

Virginia Brain Injury Council, Cognitive scientist 2007-2010

American Academy of Clinical Neuropsychology, diplomate, since 2008

American Psychological Association Divisions 40 & 41, since 1998

National Academy of Neuropsychology, Student from 1998-2002; Professional since 2005

International Neuropsychological Society, member since 2000
