- Lecture and provide consultation at UVA-ILPPP sponsored state trainings for psychologists, psychiatrists, attorneys, and other trainees.

PRIOR CLINICAL EXPERIENCE

University of Virginia Medical Center, Charlottesville, Virginia July 2015 – July 2017
Forensic Psychology Postdoctoral Fellow
University of Virginia Medical Center

- Conducted inpatient and outpatient forensic mental health evaluations for adults and juveniles addressing legal sanity, adjudicative and immigration court competence, waiver of rights, violence risk, threat assessment, sex offender risk assessment, capital mitigation, presentencing, and police and emergency communications (i.e., dispatch) pre-employment.
- Participated in UVA-ILPPP sponsored state trainings, including: *Basic Forensic Evaluation: Principles and Practice, Evaluating Individual Found Not Guilty by Reason of Insanity, Assessing Risk for Violence in Clinical Practice, Sex Offender Evaluation, Static-99R Training, Juvenile Forensic Evaluation, PTSD: Evidence-based Assessment and Treatment, and Capital Case Evaluation.*

Saint Elizabeths Hospital, Washington, District of Columbia

Predoctoral Psychology Intern

July 2014 – June 2015

- Within the Forensic Consult Service, conducted trial competence evaluations and served as a consultant for civil commitment hearings.
- Conducted psychological assessments evaluating risk for future violence, malingering, cognitive functioning and diagnostic clarification.
- Member of interdisciplinary treatment team for a unit housing men acquitted Not Guilty by Reason of Insanity and a pre-trial unit housing men deemed incompetent to proceed with current legal charges.
- Provided trial competence restoration services, individual psychotherapy, and group psychotherapy.

Patton State Hospital, Patton, CA

Psychology Assessment Clerk

September 2013 – June 2014

- Conducted psychological assessments (psychodiagnostic, neuropsychological, integrated) addressing a range of referral questions (i.e., malingering, adjudicative competence, diagnostic clarification).
- Co-facilitated group psychotherapy for male and female sex offenders in the Sexual Offender Commitment Program (SOCP) by implementing the Good Lives Model/Self-Regulation Model.

Pepperdine Educational & Psychological Counseling Clinic, West Los Angeles, CA

Psychology Practicum Extern

February 2013 – June 2014

- Conducted clinical intake assessments.
- Provided weekly individual and couples psychotherapy.

Los Angeles County + University of Southern California Medical Center (LAC+USC), Los Angeles, CA

Clinical Psychology Clerk

September 2012 – September 2013

- Facilitated group therapy, intake interviews, and individual crisis consultations.
- Conducted psychodiagnostic and neuropsychological assessments for diagnostic clarification, discharge planning, and medication modifications.

University of California, Los Angeles (UCLA), Aftercare Research Program, Los Angeles, CA

Psychology Extern

September 2012 – June 2013

- Co-facilitated psychoeducational group titled Tools for Successful Living (TSL).
- Co-developed group therapy treatment manual for individuals with schizophrenia, focused on the role of social support, wellness, insight, and substance use's impact on the brain.

Union Rescue Mission – Conrad Hilton Foundation, Los Angeles, CA

Psychology Extern/Fellow

September 2011 – August 2013

- Provided individual and group therapy, and completed intake assessments for shelter residents presenting with substance dependence and severe psychopathology.
- Co-founded and co-facilitated psychoeducational support group for individuals with comorbid chronic medical conditions, substance dependence, and mental illness.

Sports Concussion Institute, Los Angeles, CA

Psychology Extern

June 2012 – August 2012

- Administered baseline neuropsychological assessments to athletes in order to measure potential damage should traumatic brain injury occur during athletic season.
- Assisted with cognitive rehabilitation for individuals with traumatic brain injury.

Brotman Medical Center, Culver City, CA

Marriage & Family Therapist Practicum Trainee

January 2010 – May 2011

- Provided individual and group therapy to individuals with severe and chronic serious mental illness.
- Completed patient treatment plans and psychosocial assessments.

San Diego Center for Children Learning Academy, San Diego, CA

Interim Special Education Teacher

May 2009 – July 2009

- Taught multiple-subject fifth and sixth grade combination special education class for children with severe emotional, developmental, and behavioral disabilities.
- Co-developed Individualized Education Plans (IEP), created lesson plans, and led class discussions and small groups teaching core subjects.

San Diego Center for Children, San Diego, CA

Child Development Counselor

July 2007 – May 2009

- Led small groups and worked individually with clients to facilitate adaptive coping, social skills, and anger management.
- Implemented treatment plans and tracked client progress, applied behavior modification interventions (verbal and manual restraints) with unsafe clients to ensure their well-being and the safety of others.

San Diego Center for Children, San Diego, CA

Medication Technician

December 2007 – May 2009

- Prepared and administered prescribed medications (i.e., antipsychotics, mood stabilizers, antidepressants) to residents (98% of the residents were prescribed medications).
- Assessed the psychological state, behaviors, and vitals of clients in physical restraints to determine necessity of Psychiatric Emergency Team (PET) to transport clients to the hospital.

RESEARCH EXPERIENCE

Dissertation, Pepperdine University and University of California, Los Angeles (UCLA)

“The relationship between second-generation antipsychotic medication adherence and negative symptoms in first-episode schizophrenia”

- Proposed October 2013
- Defended April 2015

Los Angeles County + University of Southern California Medical Center (LAC+USC), Los Angeles, CA
Research Assistant June 2013 – March 2015

- Assisted with revision of *Principles of Trauma Therapy: A Guide to Symptoms, Evaluation, and Treatment* to accommodate DSM-5 revisions for publication of the third edition of the text.
- Reviewed and analyzed dataset regarding the effects of multiple types of trauma on the etiology of Posttraumatic Stress Disorder.

University of California, Los Angeles (UCLA), Aftercare Research Program, Los Angeles, CA
Research Assistant June 2012 – April 2015

- Analyzed data on medication adherence and negative symptoms in first episode psychosis.
- Compiled data for meta-analysis on social cognition, neurocognition, and insight in schizophrenia.

Pepperdine University, Malibu, CA
Research Assistant January 2012 – June 2014

- Assisted in preparing new edition/revision of a textbook for advanced psychopathology and treatment
- Conducted literature searches to aid in revisions of book chapters to update to DSM-5 criteria.

University of California, San Diego (UCSD), Operant Laboratory, La Jolla, CA
Research Assistant September 2006 – June 2007

- Administered and proctored psychology experiments such as Prisoner’s Dilemma and other decision making, token-economy exercises, with experiment conditions frequently changing.

University of California, San Diego (UCSD), Autism Laboratory, La Jolla, CA

Research Assistant

April 2005 – September 2006

- Worked under a NIMH grant to improve speech and language development of children with autism.
- Worked one on one with children in home sessions, utilizing Pivotal Response Therapy, Picture Exchange Communication System, and Discrete Trial Training therapy models.

TEACHING EXPERIENCE

Pepperdine University, Malibu, CA

Graduate Level Teaching Assistant

September 2010 – April 2014

- Provided assistance for doctoral and master's level courses:
 - *Advanced Assessment*
 - *Cognitive Assessment*
 - *Personality Assessment*
 - *Advanced Clinical Psychopathology*
 - *Assessment for Marriage & Family Therapists*
 - *Clinical Management of Psychopathology*
 - *Techniques and Theories in Psychotherapy.*
 - *Substance Abuse Evaluation and Treatment.*
 - *Marriage & Family Therapy*

ADVISORY EXPERIENCE

Virginia DBHDS Forensic Evaluation Oversight Review Panel, appointed July 1, 2017 – Present

Reviewer for National, Peer-Reviewed Conferences

American Psychology-Law Society, 2017 - 2018

American Psychological Association, 2017

HONORS & AWARDS

Psi Chi International Honor Society in Psychology

Colleagues Grant, Pepperdine University

Conrad N. Hilton Foundation Fellowship, Union Rescue Mission

Dean's List, University of California at San Diego
