

Primary School Dress Standards

All students are expected to maintain the School's dress standards. To respect and support a positive teaching and learning environment, no aspect of a student's appearance should call excessive attention to him/herself.

All Students

Please keep an extra set of clothing in a small bag at school. Include a shirt, pants, underwear and socks, all labeled with the child's name. Sandals, slides or Crocs are not safe and are inappropriate for active play.

Early School & Kindergarten

Students should wear clothing that is clean, appropriate to the school setting, and allows for freedom of movement. Velcro gym shoes must be worn for PE and recess.
