

## **Welcome to Honors Physics Course (2016-17)!**

You will need following material to support learning in this class:

1. e-textbook (I will explain how to download and use access code on first day)
2. Calculator (used in your Math course will be fine)
3. Protractor and ruler

I also highly recommend the following:

1. A 2-subject notebook
2. 3 ring binder
