Welcome to the Dain Dance Academy!

We take our roles as mentors and teachers in your child's life very seriously. It is our objective to inspire a passion for the art of dance in every child who passes through our doors. In the process, we strive to set the right example and help your child (and you) create memories that will last a lifetime.

Philosophy

The Dain Dance Academy is committed to providing high-quality dance education to enhance the overall development of each student. We provide a safe and child-centered environment to encourage our students to explore dance with qualified, nurturing teachers.

We believe that dance training encourages young people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills and developing muscular awareness, dance classes give children the freedom to express themselves creatively through movement.

The highest educational standards are expected from all Dain Dance Academy faculty members. They are lifelong learners who continue to educate themselves through certification programs, teacher-training schools, conferences, and other learning opportunities.

Spring Break: Wed., April 5th – Tues, April 11th

Memorial Day: Monday, May 29st

Understanding Dance Education

As a parent, you play an important role in supporting your student financially, but your emotional support is of equal—and we believe perhaps even greater—value. Encourage your child to be the best that he or she can be regardless of what others may achieve. Dance is an individual art form and children need to be allowed to achieve at a pace that's comfortable for them individually. No two students will progress at the same rate, even if they experience the exact same training. It's important to encourage children to focus on themselves, give their all, and be satisfied with their own accomplishments.

Not all children will develop into professional dancers. One of the primary goals of our faculty is to teach life lessons and skills that offer children the best chance for success. Dance education encompasses far more than technique and the steps your children learn. We believe the discipline of dance training gives young people a better understanding of commitment through learning, experiencing the spirit of teamwork, and discovering what they can accomplish through hard work. Our goal is to educate the minds, bodies, and souls of our students, teaching them the skills needed for a successful life, whether or not they stay involved with dance into adulthood.

Class Placement

The school faculty meets regularly to discuss the students' progress and/or placement. It is our policy to offer appropriate opportunities to every child based on that individual child's abilities and his/her mental and emotional maturity.

Placement decisions are derived from many years of teaching experience. Often a child is placed in a particular group or class where he or she will feel confident and be most successful in order to promote the development of self-esteem. Some students who are placed in a higher level become discouraged, only to lose their passion for dance. Others respond to the challenge of being in a class with students who are more proficient by pushing themselves to work harder. Placement is highly individual and the factors that go into the decision are complex.

Dress Code Requirements

Dain Dance Academy maintains a dress code to encourage concentration and a sense of inclusiveness (variations in attire can be distracting). Uniformity in dancewear allows the teachers to assess how well the students are implementing the technique being taught, problems with alignment, and other important aspects of dance training.

- Students should carry their dancewear, shoes, and other belongings in a dance bag. Please print your child's name on the bag as well as on all of its contents.
(Please note: the Printing of your child's name should appear on the **INSIDE** of shoes and/or attire. Please not on the outside.)
- Dancewear is to be kept in good repair and laundered on a regular basis.
- Boys age 10 and older must wear a dance belt.
- Watches, jewelry, fitbits, smart watches, safety pins etc. should not be worn to class.
- Dance shoes should never be worn outside.
- Students should wear their hair tightly secured and styled away from the face; a neat bun is required for all classes except hip hop & tap.
- Students are expected to observe good personal hygiene habits. Deodorant is required for students age 10 and older.
