
Education

Rhode Island School of Design Sept 2014 - Jun 2016

Industrial Design, Master in Design

- Co-Works Digital Fabrication, Graduate Assistant
- Augmented Hand, Head Graduate Assistant
- Arduino Workshop, Graduate Assistant
- NIKE + Skin Partnership, Research Assistant

Stanford University Sept 2009 - Jan 2014

Product Design, B.S. in Engineering

- Mechanical engineering, design research, sketching, prototyping, user experience
- Member of Society of Chicano/Latino Engineers and Scientists

Work Experience

Studio Duuri May 2016 - Aug 2016

Design Research Consultant, Providence, RI

- Analyzed focus groups; delivered CMF insights related to gender and product
- Prepared final research report and traveled to Korea to present to Samsung

Rhode Island School of Design Jan 2016 - Mar 2016

Adjunct Faculty, Providence, RI

- Wrote syllabus for original course titled *I, Robot: Pop, Sex, and the Chassis*
- Ran the course for graduate and undergraduate students; managed course TA

Modelo Jun 2015 - Aug 2015

Design Intern, Boston, MA

- Organized and ran user feedback sessions
- Interpreted data to help team make prototype and branding decisions

Capital One Jun 2014 - Aug 2014

Digital Intern, San Francisco, CA

- Facilitated internal Design Thinking workshops
- Worked with developers to prototype a tech-tracking tool

Bay Sensors Feb 2014 - Mar 2014

Industrial Design Consultant, Mountain View, CA

- Designed a flat-pack chassis for a sensor and hardware components
- Built and assembled dozens of chassis for deployment

Biomimetic and Dextrous Manipulation Lab Jun 2012 - Aug 2012

Mechanical Engineering Intern, Stanford, CA

- Collaborated to design a robot which passively attaches to uneven walls
- Designed components using CNC mill, laser cutter, and silicone casting

Olbrish GmbH Jun 2011 - Aug 2011

Handbag Design Intern, Berlin, Germany

- Communicated exclusively in German with factory workers and designer
- Released three original handbags to market

Awards

- | | |
|--|-------------|
| <i>Greatest Public Health Impact Award.</i> Awarded by Massachusetts General Hospital. | 2016 |
| <i>Fred M. Roddy Memorial Scholarship.</i> For academic achievement and contribution to RISD. | 2016 |
| <i>RISD M.I.D. Merit Award.</i> For high-achieving and promising master's students. | 2016 |
| <i>RISD Graduate Fellowship.</i> Awarded by RISD. | 2014 - 2016 |
| <i>Kickstarter Funding.</i> Campaign to publish <i>Crane for Creativity</i> , a design methods book. | 2013 |
