### Screening Guidelines & Public Performance Licensing Agreement

*Pursuant to Section 101 of the U.S. Copyright law, a performance is public if it is in "any place where a substantial number of persons outside of a normal circle of a family and its social acquaintances is gathered", regardless of non-profit status.*

*In order to grant license for you or your organization to screen the film in any format outside a home, you must comply with the following terms:*

- This license grants a single showing of "One Six Right" in its entirety without interruption. No part of the "Special Features" may be shown.
- An admission fee can be charged to cover the costs associated with hosting a screening of "One Six Right"; however, no profit can be made. Additionally, you or your organization may earn revenue and profit from the sale of DVDs and/or Blu-rays to your audience.
- The website ([www.onesixright.com](http://www.onesixright.com)) must be included in all advertisements, announcements and promotions for the screening and associated events.
- One of the two mandatory Public Performance licensing options listed on the following page must be satisfied prior to the screening.
- Pursuant to your choice of Public Performance licensing options, you must abide by all conditions in this document and those additionally communicated by Terwilliger Productions, LLC, the sole authorized licensing representative of "One Six Right", and have received this agreement countersigned before your screening can take place.
