

# RED HILL ESTATE

COONAWARRA

2013 CABERNET SAUVIGNON

## REGIONAL RELEASES

Since 1989, Red Hill Estate has produced some of the finest wines from the Mornington Peninsula. Now, more than 20 years later our winemaking passion & expertise extends to quintessential wines that are selected and sourced from some of Australia's most iconic regions.

## WINEMAKING

This 2013 Red Hill Estate Coonawarra Cabernet Sauvignon shows characters typical of the variety from this famous region.

The wine shows blackcurrant and red berry characters, with a hint of cassis and the palate is enhanced by some subtle oak influence.

Finishing with gentle tannins and a firm structure it will drink perfectly now but will reward with further medium term cellaring.

## TECHNICAL SPECIFICATIONS

13.5% Alc. Vol

Preservative (220) Added
