invitation

We give you a very warm invitation to the Pastoral Refreshment Conference taking place at Hothorpe Hall, Leicestershire from 4-6th February 2009.

This is a conference with a real difference. It is an opportunity for leaders and those married to leaders to receive spiritual encouragement specifically tailored to their needs.

For those who constantly feed others, the Pastoral Refreshment Conference is a place to receive from the Lord and be encouraged by others. It is a place for sustenance of heart and soul, for developing intimacy with the Lord and close bonds of friendship with others in leadership.

The conference has a strong emphasis on care, prayer, worship and enjoying the grace of God. We believe this is foundational to loving the Lord, loving the Church and loving leading when the demands are arduous.

The seminar on forgiveness was amazingly helpful and important. The constant reminder of grace has been a real blessing

The conference provides a setting for leaders, pastors and spouses to seek God together for the on-going refreshment of life and ministry. You can expect lots of prayer, worship and a safe environment to be yourself.

There will be inspiring preaching on the theme of *Leaders as Disciples* from Mark's gospel (Andrew Page,, Above Bar Church Southampton) and a variety of optional seminars on practical pastoral issues. This will include favourites from previous years like *Grace, Marriage and Ministry, Caring for Your Spiritual Life* and *Leading with a Forgiving Heart*, along with fresh new sessions to help us grow in our spiritual walk and spiritual leadership.

As always, an experienced pastoral team will be available for anyone who would value a chance to talk and pray in confidence.

If you have never been before, then be encouraged by a previous delegate who said, "This is the friendliest conference I have ever been on."

The cost of the conference is £125 per person. If finance would prevent you attending please contact the office to discuss. Young infants can be accommodated. Please contact us to discuss arrangements.

This has really refreshed my sense of purpose as I look forward to ministry this year

I've been encouraging my friends to come, saying "Go, go next year, take my car!"

Pastoral encouragement, spiritual sustenance and sustaining grace are often neglected priorities for Christian leaders. I am delighted to support this conference wholeheartedly.
