

For Immediate Release: Allen Alley Touts Endorsements from Political Establishment

Salem, OR, (March 30, 2016) - In a fundraising letter today, candidate Allen Alley touted endorsements from legislative insiders. This is just one day after acknowledging he raked in more than \$40k in out-of-state campaign contributions.

While Alley is displaying his dependence on these political insiders, Dr. Bud Pierce is traveling the state listening to every-day Oregonians.

"We need a candidate who will serve regular, working Oregonians and not someone focusing only on the Salem political class," Pierce said.

Pierce visited both Roseburg and Medford today in his effort to connect with community members and listen to their ideas for improving Oregon. Next week, he will visit Central Oregon and continue that effort. Since launching his campaign in September, Pierce has visited nearly every county in Oregon.

"Oregonians need a committed governor. They need an advocate who will listen to Oregonians and work on issues important to them, one who will travel throughout Oregon, and one who isn't part of the system we have now," Pierce added. "I want to represent all the people of Oregon, not just just the political class."

Listed below are nearly 400 endorsements Bud Pierce has received from political outsiders, like himself.

Bud Pierce, M.D, Ph.D is a business owner and senior partner of Hematology/Oncology of Salem, the last physician owned oncology practices on the West Coast. He announced his candidacy for governor on Sept. 10, 2015 on the Republican ticket. Approved photos and biography can be found at www.BudPierce.com/newsroom.
