Member Agreement

I understand that in subscribing to a 2017 produce share from Sproutin' Up Youth-Run CSA I am committing to support local, sustainable agriculture in my community. I recognize that I am also supporting the mission of Sproutin' Up to educate youth on healthy lifestyles and sustainable agricultural practices through my membership.

I understand that I am committing to sharing both the rewards and the risks of the 2017 growing season and produce availability and variety is greatly subject to seasonality, mother nature, and my local climate. I understand that if I do not use my balance in full by the final week of the 2017 growing season, the value in produce will be donated to families who participate in Sproutin' Up programs.
