ACTING

John Biscello will introduce tools for storytelling, comedy and actions through the use of theatre games and exercises in a fun, safe, and nurturing environment.

DANCE

Ambler Vasquez will guide students of every level in fundamental dance techniques including jazz, theatre dance, and story through movement.

MUSIC

This camp will give students a basic understanding of the voice and its physical components as applied to musical theatre.

PERFORM

Students are immersed in the theatrical world of Pirates and Swashbucklers as we bring the script of *Treasure Island* to life in performance at the end of the session.
