Here's Our Recipe to Thrive!

- **1 part Community** - The casual encounters you enjoy at neighborhood businesses build relationships and local cohesiveness. They're the ultimate social networking sites!
- **1 part Economic Vitality** - Each dollar you spend at a local independent business returns 3 times more money to our local economy than one spent at a chain - a benefit we can all bank on!
- **1 part Healthy Environment** - Independent, community-serving businesses are people-sized. They consume less land, carry more locally made products, and locate closer to residents - creating less traffic and pollution.
- **1 part Local Character** - Why did you choose to live in the Rogue Valley? What keeps you here? Locally owned businesses give our community its one-of-a-kind personality.

Help us set the table for a more sustainable local economy this holiday season by supporting locally owned businesses as you do your food shopping, banking and when making other purchasing decisions. And please, consider becoming a Thrive member today. Your financial assistance means that together we can cook up a more prosperous economic future for everyone in the Rogue Valley.

All we need to make this the perfect recipe is friends!

Please consider renewing your friendship with us or becoming a new friend for 2013!
