Mission: The Jesuit Conference of Nursing Programs is a collaborative and supportive consortium that promotes a Catholic, Jesuit nursing identity to advance nursing education and improve health.

Vision: The Jesuit Conference of Nursing Programs is a discerning voice for social justice and excellence in health care.

Jesuit Conference of Nursing Programs
Strategic Map: 2012-2015

Leverage the JCNP Brand to Transform Nursing Education and Health Care Delivery

A
Establish the JCNP Brand
- Define the Brand and its Key Elements
- Develop Tools for Communicating the Brand
- Market the JCNP Brand
- Establish a Process for Utilizing the Brand

B
Sustain an Effective, Collaborative Organization
- Establish a Formal Orientation Process for Deans, Chairs, Directors
- Offer Opportunities for Dean/Faculty Networking and Communication
- Establish a National/International Presence
- Establish Parameters for Shaping Policy

C
Advance Innovative Educational Opportunities and Strategic Partnerships
- Move the DNP Consortium Forward and Use as a Model for Other Programs
- Share National/International Service and Educational Opportunities
- Collaborate and Share Innovative Educational Simulation Strategies
- Develop Shared Modules for Interprofessional/Interdisc. Education
- Explore Innovative Technological Advances in Education

Continue to Develop Relational Trust

Establish a Process for Monitoring and Adjusting Implementation

Approved by JCNP workshop members 8/9/2011
