Dear Kathy,

As we bask in the glow of our seventh graduation, we'd like to thank you for your gift of \$250.00, received by Cristo Rey Jesuit High School on 07/10/2017. Our students work at over 100 companies in the Twin Cities where they earn half the cost of their education. Your generosity helps make up the difference. Thank you!

Eighty percent of our 345 graduates are either currently enrolled in college or have already completed a degree! Those successes drive our rapid enrollment growth. We welcomed 145 freshmen this year, giving us 455 total students. We are excited to deliver high quality college-preparatory courses, corporate job experience, and support through college, to growing numbers of students.

What a blessing to have friends who share our values and believe in our work. We ask for your continued prayers, especially for our high school and college graduates. As our school community says together at assemblies, we are "Guided by Faith, Prepared for Life and Serving Others."

With sincere gratitude and appreciation,
