

CALL CONGRESS IN SUPPORT OF THE DREAM ACT

FEBRUARY 1, 2018

My hometown U.S. Representative and U.S. Senators

URGE/THANK

U.S. Representative: _____ (202) 225- _____ _____

U.S. Senator: _____ (202) 224- _____ _____

U.S. Senator: _____ (202) 224- _____ _____

Speaker of the House Paul Ryan (202) 225- 0600 URGE call

Senate Majority Leader Mitch McConnell (202) 224- 3135 URGE call

Place your phone call:

- You will be speaking with a staffer or an intern, probably someone about your age!
- Do not ask to speak with the Member, but leave your message with whomever answers. They will note your call, and its purpose, and share a summary with the Member.
- Be passionate, but also be polite. Anger is counter-productive to successful advocacy.

Use these talking points for your “URGE” Call on behalf of the DREAM Act:

1. My name is _____, and I am from (HOMETOWN) _____.
2. I am calling to encourage (REPRESENTATIVE/SENATOR) _____ to pass the DREAM Act.
3. Time is running out! I am very worried about what may lie ahead for the hundreds of thousands of DACA-protected students and undocumented immigrants who were brought to the United States as children, if Congress does not pass the DREAM Act or similar legislation to protect them immediately.
4. After March 5th, more than 1000 people a day will lose their DACA status!
5. I urge Congress to come together and take immediate action, please, to pass DREAM Act legislation as soon as possible. Thank you for very much for listening.

“THANK” Members who are already supporting the DREAM Act. Substitute for points 2 & 3, above:

2. *I am calling to thank (REPRESENTATIVE/SENATOR) _____ for supporting the DREAM Act.*
3. *Please do whatever you can to convince your colleagues to pass the DREAM Act today.*
