INT. SOUND STAGE - DAY

--E-40, busts through the set, knocking bottles over.

E-40

E-40, AKA Charlie Hustle here. No time
to tell you bout my fine selections of
wine drink like Function Red and
Mangoscato, Mang. Trademark. A true
Yay Area hustle-prenuer in the game
now damn near twenty-seven years, I'm
onto the next. Oooouugh.

E-40 holds a can of his next venture to camera- WDE-40.

EXT. PLAYGROUND - DAY

E-40 crouches in the sand. A CHILD swings behind him. We hear
the SQUEAK of the swings chain.

E-40

Unlike that other water displacement
spray and penetrating oil WDE-40 has
twice the alcohol level and comes from
a Vallejo hustler who knows how to
keep his chains clean, Mang.

E-40 sprays a little PSST PSST on the swings chains. The
Child is delighted.

E-40 tilts his tiny glasses down - his eye twinkles.

EXT. SOCCER FIELD - DAY

TOO SHORT is dressed as a ref and officiates a soccer match.
KIDS run around the field.

One CHILD kicks another in the shins. Too Short tries to blow the whistle for a foul but no sound comes out.

E-40 appears.

E-40

Ay. What it is Too Short?

TOO SHORT

I'm trying to call a foul here, Forty but somethin' ain't right with my whistle.

E-40

UUuuuuuggggh. I got this, mang. Gotta keep your whistle greased.

PSST PSST PSST. E-40 sprays some WDE-40 on the whistle.

E-40 (CONT'D)

Now blow the whistle.

BRR BRR BRR - Too Short blows it.

E-40 (CONT'D)

Now blow the whistle.

BRR BRR BRR - Too Short blows it.

TOO SHORT

Thanks E-40. But yo, is this safe to put in my mouth?

E-40

A BUSINESS MAN indicates to some lipstick on his collar and YELLS at SEX WORKER.

BUSINESS MAN

Bread. Call me captain save a ho cause

PSST PSST PSST - E-40 sprays WDE-40 on Business Man's

right out of my collar!
