Police update Mar 2017

Crime update March 2017

Vehicle crime has been reported in both villages, with 3 cars being targeted. These have been in the areas of Rectory Lane, Anstey Lane and Lattimer Road.

Please remember to remove all belongings from your cars and leave them locked and secured. Opportunist thieves, will even check coat pockets for loose change.

Crime prevention advice

Now warmer weather is on the way, remember to leave windows and doors locked and secured if you are not at home. If you are in your garden lock the windows and doors at the front of your home and don't allow the opportunists to take advantage of the sunshine.

Keep your belongings out of sight. Don't be a victim of crime. If you see anything suspicious please report it straight away on either 101 or 999 in an emergency.

We have seen a rise in dog related incidents. Please keep your dogs under control when in a public place. Being the owner of a Dog dangerously out of control is an offence. It is lambing season and for those who enjoy walking in the countryside with their dogs, please take responsibility for their behavior. Farmers have the right to shoot a dog on sight if it is allowed to worry any of his livestock.
