

BEC - Cleveland presents

NFPA 285 and the 2012 IBC:

**Combustibles in Non-Combustible
Construction**

Keith P. Nelson

Senior Project Architect at ATI/Intertek

Wednesday, December 3, 2014

Corporate College East, Warrensville Heights

Registration: 4:30 pm • Program: 5:30-7:00 pm

Keith Nelson provides critical on-site evaluation of design details and field review of new and existing building enclosure projects. His work involves enclosure analysis, detailing, design and product submittal review, construction phase observation and evaluation, below-grade waterproofing investigation, testing and repair design, and building code analysis.
