### FOR THE GROUP: Working it out together

1. In John 14:15-17 Jesus promise to ask God to give those who love Him and obey His commandments an advocate who will never leave and lead into all truth. Who and where is this advocate according to verse 17?
2. Read John 14:26. The Holy Spirit is an advocate from God to represent Jesus. What does the verse say He (Holy Spirit) will do?
3. Did the Holy Spirit come when Jesus went to Heaven? Read Genesis 1:1-2.
4. Read Genesis 2:7. The man was already formed by God, what made him a living person?
5. Pastor Steve said, “Genesis 3 is the part of the story of God and humanity where sin caused a divorce between the physical and spiritual, we had the breath of life knocked out of us.” Since the breath of God in a human is what makes one alive spiritually, what happened to humanity when the breath was knocked out?
6. The Holy Spirit is all around us everywhere all the time but if He is not in us we are not living, we are dead. How can we have hope to have life as God intended with His Spirit in us? Read Ezekiel 37:1-14.
7. Pastor Steve said, “A physical life without the Spirit of God filling and animating it, is no life at all.” Are you spiritually alive with the breath of God in you? Explain

### FOR THE INDIVIDUAL: Take Away

***The Holy Spirit is with us but is He in us***

- The Holy Spirit is God. He is everywhere all the time. He is with you but have you invited Him in your soul?
- When you live your life without the Spirit of God in you, you are not living to the full potential God intended.
- Only when you open your soul beyond religion to a relationship with God will you experience the life God intended people to have
- Anything less than breathing the Breath of God is less than the life God wants for you.
