### FOR THE GROUP: Working it out together

1. Since the church is the collective group of individuals seeking to be Christ-like and the goal of the church is to become the visible image of the invisible Christ in the world, how does this support the concept of (He > i) and (We > me) to fulfill the mission of Jesus command to love? Read Matthew 22:37-40.
2. HCC method to achieve the mission of love is to keep in balance five Biblical principles; *Worship, Fellowship, Discipleship, Ministry and Evangelism*. Are these areas equally balanced in your daily living? Why or why not.
3. Pastor Steve said, “The balancing of these principles is really the key to nurturing love for God, love for self and love for others...” How can performing the mission of Jesus love command by practicing these Biblical principles in balance daily living show an unbelieving world that Jesus is real?
4. One of the five Biblical principles to develop and nurture love to be Christ-like is the balancing of Worship in our personal and collective lives. What does worship look like from you personally?
5. Pastor Steve said, “Worship is about the heart, not the music...worship is a choice, in spite of our preferences.” Is worship about feeling something for God or giving God something? Explain.
6. Pastor Steve said, “...The secret to living a life of worship, is doing everything as if you were doing it for Jesus.” How do you think your He>i, and We >me daily living may change if you choose to worship God by letting everything you do be an opportunity to glorify God; reactions, relationships, work, responsibilities, disappointments, joys, etc.?
