Extended Verse Study:

2018 Motto:

It's always 3:30 (John 3:30)

Ask yourself and apply to your daily prayer:

How can I apply the theme to my daily living and connect that understanding in my active part of the local Body of Christ where I am committed at HCC

FOR THE GROUP: Working it out together

1. HCC method of achieving the mission of love by balancing the five Biblical principles (Worship, Fellowship, Discipleship, Ministry and Evangelism) shows us that our individual salvation experience must be paired with the collective body of Christ. Why is it important to know (We > me) when living by the (He > i) Christian faith? Read Acts 20:28.
2. Pastor Steve said, “The Bible indicates that the mission of God saving the world and setting all things to right ultimately, is accomplished through the person of Jesus, but experienced and expressed through his people of the church.”. How might the world better see the God if the church contrary to the world’s living had the mindset of He > i and We > me ?
3. Last week we learned the Biblical principle of “Worship” is not about going to a place to worship but to be a people of continual worship. What does the Biblical principle of Fellowship mean?
4. Pastor Steve said, “Fellowship in the body of Christ on a local level is intentionally doing life deeply together.” What does “intentionally doing life deeply together” mean or look like in your life?
5. If the world is divided and the church is united in Christ, the world will know God. Does this mean there is no conflict or differences in church? Read Ephesians 4:1-6.
6. We the church, are the visible image of the invisible God to the world and our fellowship of living life deeply together is the testimony to show Jesus is real. How can being an active member of a life group help us to practice the Biblical principle of Fellowship that will testify the love of God through the gift of Jesus?
