

Vice President of External Affairs:

The MBSU is looking for a Vice President of External Affairs to join the student union council. The main duties of the VP External are to represent the MBSU at the SUS General Council Meetings (These usually happen once every two weeks), and to take notes and to report back on the general happenings of the greater McGill community. The VP External is in charge of organizing fundraising events and initiatives for SUS's charity month (October). A core focus this year is on the acquisition of corporate and/or non-monetary sponsorships, it will be up to the VP External to coordinate the acquisition of these resources. An interesting initiative to do with the MBSU reaching out to the greater Montreal school community is in the works; the new VP External will take over from their predecessor's work on this initiative; the details of this project are as of yet still confidential.

Eligibility: The applicant must be a Major, Liberal, Joint BSc., Joint Arts&Sci Major, or Joint Arts&Sci minor student in Biology.

All those interested, please **submit a 250 word blurb** on why you are the perfect candidate for the position to: thembsu@gmail.com before Sunday the 9th of September.

Vice President of Publications:

The MBSU is looking for a Vice President of Publications. The VP Publications will be in charge of producing "The Exon"; an episodic video series consisting of skits and news segments aimed to entertain and bring the Biology students in to the know about what's going on with their department. The VP Publications will be in charge of recruiting a team of videographers, video-editors, and content creators collectively referred to as the *MBSU Production House*. The means of creating this team and its constituents is completely up to the VP Publications' discretion. This is a creative position, and as past iterations of the Exon and other video content from the MBSU over the past year have shown; there is immense scope for growth and innovation.

Eligibility: The applicant must be a Major, Liberal, Joint BSc., Joint Arts&Sci Major, or Joint Arts&Sci minor student in Biology.

All those interested, please **submit a 250 word blurb** on why you are the perfect candidate for the position to: thembsu@gmail.com before Sunday the 9th of September.

Note: Due to the technical nature of this position, preference will be given to applicants who have prior experience in graphic design, video editing, or video/photo/graphy.
