A Word about Meal Times

We appreciate your promptness to meals (other than the Friday evening buffet). We will enter the dining room quietly, have a blessing and then the Head of Table will serve each person. As a general rule, we wait until all are served before we begin eating; we know this can be hard with small children and we are certainly flexible about that. We appreciate you supporting your children to observe this routine.

Packing List for Glen Brook Maple Sugaring Weekends

Since weather conditions can vary widely, we recommend layering clothing rather than bringing one-purpose clothing. This is an active outdoor program and valuable clothing or jewelry is discouraged. Marking clothing with your child's name can help!

Things to bring: Sleeping bags or bedding for twin sized beds, pillows, towels, toiletries, indoor shoes/slippers and of course all your warm outdoor clothes, flashlight.

Please Note: You are responsible for the supervision of your children at all times!

If you wish for your child to do a different activity than you, please send them in the care of another parent or check in with the adult leading the activity to see if they are okay with you being elsewhere.

We look forward to welcoming you to Camp Glen Brook!
