SPEND YOUR SUMMERTIME WITH BENEVILLA AS A VOLUNTEER!

During the hot summer months, many of our volunteers retreat to cooler places. **Without those volunteers, vital appointments are missed, groceries remain unpurchased, and friendly visits come to a halt.**

Please, consider donating your time to help your neighbors.
A single hour can make a huge difference in someone's life.

We need YOU!

***Be a hero in your community. Bring joy to someone's heart.
Become part of a bigger story.***
