## FOCUS

Chudnovsky Law has aligned its entire practice to serve the immigration, investment, tax and business law needs of foreign investors, entrepreneurs and professionals. This focus positions our firm to provide clients in depth knowledge, excellent service and a complete suite of any services needed.

## SERVICES

The firm offers full-service immigration and business law services to solve client needs no matter how simple or complex. We offer:

- **Complete US immigration and visa services**
- **Pre-immigration services** such as US tax considerations, opening US bank accounts, estate planning and asset protection review
- **General counsel services** where the firm provides or coordinates other legal services such as international estate and tax, business entity formation, trademark and copyright, real estate purchase or lease and off shore company or trust formations
- **Professional resources** such as accountants, bankers, brokers, business consultants, investment management, restaurant consultants, real estate and management consultants

## REPRESENTATIVE EXPERIENCE

Chudnovsky Law clients include corporations, professionals, investors, entrepreneurs, researchers, professors, restaurateurs, actors, doctors and those pursuing EB-5 investor visas.

Clients range from recent college graduates to ultra high net worth multi-national investors. See [www.ImmigrationsLaw.com/about](http://www.ImmigrationsLaw.com/about) for more details.

## FRANCE AND FRENCH REGIONS PROFICIENCY

Our French speaking team is proficient in the unique needs of clients from France and its Overseas Collectivities and Regions.
