

Green Light GO!

Green Light Go! is ZBT's newest endeavor with our philanthropic partner, JWI (Jewish Women International) partnering with Student Activities Council (SAC). It's a campaign created to raise awareness and change attitudes across the U.S. Funds raised from Green Light: Go! events will support the Fund for Safe and Healthy Campuses and will allow JWI to create programs that not only educate students in healthy relationships and bystander intervention, but also position our men as leaders in changing the culture on campus and being examples of the very best of the fraternal world.

Every year, sexual assault incidents affect college campuses. Reports indicate that as of the year 2015, 1 in 5 women and 1 in 16 men become the victim of sexual assault while in college. Let's educate, promote, and act to end sexual assault on our campus!

Be a Sponsor

In order to raise money for the sexual assault awareness fund, we will be selling t-shirts. A \$75 sponsorship gets your name on the Green Light GO t-shirt that will be sold throughout SAC's "Sex Week", and 10 raffle tickets for you to distribute to the members of your choosing. Sponsorships are due by **Monday March 28th 2016** to either the ZBT Mailbox in the Greek Suite or Dameron Leonard. Below is a rough proof of the shirt. The shirt will be customized for the University of Memphis and the event sponsors will be added as well. Proofs will be sent out after March 28th. Checks should be made out to Zeta Beta Tau Gamma Mu.

The Game

Essentially, it is a huge game of Red Light Green Light on the UC Lawn. *Green Light: Go!* is open to all students—try to get as many as you can to play. (The Guinness World Record for most participants playing Red Light, Green Light at one time is 1,136 at George Washington University). There will be food, drinks, and entertainment provided. We will also raffle off the \$50 gift card. Winner must be present to claim prize. The winner of the Red Light Green Light will receive a \$25 Visa Gift Card. If the winner of Red Light Green Light is a part of a Greek organization they will have pizza and drinks provided at one of their chapter meetings.
