God has a PLAN for me

Hey Parents!
This August, your child is learning that when good things or not-so-good things happen, that God loves them and has a plan for them. Talk with your preschooler about how they are special to God!

Let your child share & remind them that God loves them & has a plan for them!

What’s something good or not-so-good that happened to you today?

How do you know God loves you and that you are special to him?

Who has a plan for you?
