12V DIMMABLE LAMP DISCLAIMER

The EmeryAllen 12V Series lamps are dimmable with most magnetic transformers. No LED lamp should be used in fixtures which incorporate a HI/LO/OFF switch (typically found in undercabinet fixtures).

Lamps used for other than their described application will void the EmeryAllen Warranty.

120V LED Dimmable Lamp Disclaimer

EmeryAllen 120V Limited Dimming lamps have a limited range of dimmability and can only be used with dimmers designed for LEDs and CFLs (also known as C/L dimmers). The Limited Dimming Series cannot be used with triac dimmers. No LED lamp should be used in fixtures which incorporate a HI/LO/OFF switch (typically found in undercabinet fixtures).

Lamps used for other than their described application will void the EmeryAllen Warranty.
