

All design and printing is done with antique handset type and ornaments from the studio collection.

Thanks for supporting the original craft of letterpress printing!

Pricing includes consultations throughout the process, two rounds of tweaks and alterations and samples of papers and inks appropriate to your project. We send 2-3 digital mockups during the design process from which to choose; these are very close to the final printed piece. We do not offer fully printed proofs.

There are a number of options for card sizes. For the below pricing, we suggest:

A2 (5.5x4.25") A6 (4.5x6.25") A7 (5x7") Monarch (3.5x7") #10 (3.875x9.25")

Each color is one run through the press; a card with one color printing on each side is considered a two color run. Additional costs apply for specialty papers, diecutting and shipping. There is also an additional plate cost of \$65 per color for any computer-generated imagery (i.e., an existing logo). Add 20% for folded cards.

Yes! We're happy to do reprints of cards we've designed and printed for you. If your card design does not change, subtract 30% from the below pricing for reprints.

Pricing also applies to Save the Dates cards.
