

Equip**MATTS**... our thinner mats with a thicker attitude. Portable and practical floor protection.

Description:

Equip**MATTS** are the thinner mats with a thicker attitude. Perfectly sized and suited for most commercial and residential gym equipment. Protect your expensive flooring with a few strategically placed Equip**MATTS**. Designed with anti-slip protection for sure footing and minimal equipment movement. Equip**MATTS** are also available in a thicker (3/8") 2 piece design with bevels edging all around for your most intense equipment. Optional logo stamping available for dealers on 3/16" mats for retail use (minimums apply).

Applications:

For use under
