

Made from the same recycled content, PremierTuff Tiles are the quick and easy way to floor your facility and impress your patrons.

### Description:

PremierTuff Interlocking tiles require no adhesive and can be easily expanded or moved. Damaged tiles are simple to replace. Our PremierTuff Square tiles are great in smaller areas like offices, hallways, stairwells and entrance areas. We offer an array of thicknesses and tiles sizes to accommodate most any application. PremierTuff Tiles are the simple way to give your fitness area a professional look.
