## **Dear Lapeer County Voters,**

It was my sincerest honor to serve the residents of Lapeer County as their State Representative. I hope that you were proud of my dedication and service to our county over the course of my term and could see the positive effects of responsible leadership in Lansing.

**I'd like to take this moment to recommend Chris Tuski for your vote on November 3rd.** I have known Chris for almost 20 years and have always found him to be a man of utmost character and integrity. As your state representative, I know that Chris will represent you with the same integrity, values, dedication, and motivation as I did.

Chris is a family man who has been married to his wife Jeanne for 25 years with four children. He has devoted himself for 30 years working in the automotive industry, navigating large organizations, understanding budgets, and building relationships to achieve positive results. Chris is an engineer, and as an engineer, he is disciplined to understand details, data, and all sides of a situation. He strives for solutions and always acts with truth, understanding, sincerity, knowledge, and integrity.

As a good, honest, hard working man, you could not find another who will represent you like Chris will. I have every bit of faith that our county, District 82, will do their due diligence and make a great choice to refill the seat with the integrity this county so well deserves! Vote once, vote Tuski!

Respectfully,

**Kevin Daley**  
**Former Michigan State Representative**  
**82nd District**
