**Package Payments:** Packages may be purchased in advanced or pay as you go. Skaters must skate within the 45 minutes ice block set times.

**Sessions:** All sessions are “open” to any skating level or age skater. Sessions will follow the schedule. Skaters remaining on the ice for any portion of a session will be charged for the 45 minute session. Coaches try to schedule lessons within the 45 minute skating sessions each day. If your lesson continues from the end of one session into the next 45 minute session, you will be charged for the full additional session.

**US Figure Skating & SC of CNY Home Club Dues:** \$70 for the first family member and \$35 for each additional member of the family. All skaters must be registered with a US Figure Skating Club to skate on our ice. All Basic Skills members must transition to club members after initiation period has ended. Forms may be downloaded from the SC of CNY Club site ([www.sccny.org](http://www.sccny.org)). If you have questions about membership contact Christina Auer at [ccaer@aol.com](mailto:ccaer@aol.com).

Check our web site and the Club desk in the rink lobby for any ice schedule changes or other club information and updates.
