LTS Policies

1) Registration: All skaters must be registered with Learn to Skate USA prior to the start of starting classes with us. All registration will need to be completed via the web/paper form prior to the first day of classes. If skaters walk in and sign up on the spot, it doesn't allow the organizers to be prepared with an appropriate number of coaches. We want to provide you with the highest quality instruction, so we ask for your assistance with this.

2) Missing Classes/Make-up Classes: When we put together a learn-to-skate semester, we determine what our coaching needs are based on the number of registered skaters. We then hire staff, recruit class assistants to help and book our ice. Even if a skater misses a class or multiple classes in a semester, the cost of our staff, ice and other expenses remains the same

As a result, no credits will be given for classes that are missed. You are welcome to make up a class on the other day classes are offered (Wednesdays and Saturdays) with pre-approval from the LTS desk.

All make up classes must be done during the same semester. If you are unable to make up a class, unfortunately, we cannot offer credits or refunds. If you know that you will be missing a class please stop at the desk and let them know when during the current semester you will be making up the lesson. The desk will provide you with the paperwork needed to make up a class.

3) **No credits or refunds will be given after week 2. No credits will be allowed to be carried over into future semesters.**

Please feel free to stop by the registration table on Wednesday's or Saturday's if you have any questions.
