More Information...

We confirm all scheduled appointments 1 week ahead of time. Any changes should be made at this point. We are booking off our time/stylists with the intention of doing a set number of services. If someone changes her mind the day of the appointment, the credit card on file will be charged for the amount of the service that was intended to be performed. Also, we would love to receive any pictures of hairstyles that the bride or bridesmaids want before the wedding date along with pictures of bridesmaids dresses and wedding gown, so our stylists are prepared fully for what to expect.

Please note: If anyone in the bridal party arrives more than 15 minutes late for their appointment, we may not be able to accommodate them. If the original scope of the contract cannot be fulfilled due to client tardiness, clients are liable for the original fee. Please remind your wedding party to be punctual out of respect for our stylists and our other clients!

There will be a reservation fee of \$100 for bridal services scheduled on days that the salon is not typically open (ex. Sunday, holidays). Payment is required upon booking to reserve the date. This charge covers up to two (2) stylists. Any additional stylists requested will incur a \$50 charge per stylist.

Final Agreement

I, _____, agree to the scheduled appointment times given on the attached forms and the prices listed. I agree to pay the balance due on the day of the event. I understand that I will be charged accordingly for members of the wedding party who miss their appointment on the day of the event.
