

Mini Meet-Up Grant Agreement/Application

Goal

The BOS Foundation will award grants for Mini Meet-Ups yearly for the purpose of enhancing a sense of community and celebrating BOS patients worldwide.

Eligibility

Mini Meet-Up Grants are available to BOS patients and their families residing outside of the United States. Mini Meet-Ups must consist of a minimum of 5 patient families. Mini Meet-Up Grants promote knowledge sharing, communication, and collaboration among the BOS community.

Parameters

Mini Meet-Up Grants are available up to \$1,500 and applications are accepted yearly. Funds must be used for Meet-Up related expenses such as admissions, travel, meals, and hotel accommodation expenses. Funds will be distributed to the person who is completing the form, preferably the Event Coordinator. Once received, the Event Coordinator will distribute money to patient families in attendance at the mini meet-up. The total amount of grant awarded, not to exceed \$1,500, will be calculated at \$100 per patient family.

Conditions of Acceptance

If you are awarded a Mini Meet-Up grant, you agree to the following conditions:

1. Money can only be used for Meet-Up related expenses (i.e. admissions to venue, travel, hotel, refreshments).
2. Knowledge Sharing: Complete a post event survey.
3. Documentation: Comprehensively document your experience, including but not limited to photographs, video, and social media posts; and share your experiences with BOS Foundation to produce documentation media, including but not limited to, written stories, photo, audio, and video recordings.

Failure to meet the conditions of acceptance may jeopardize your eligibility for future grants. Please direct questions to taylor@bos-foundation.org.
