Character Cutout & Activity Packet

Step 1. Using crayons, markers or colored pencils customize any of the items shown in this activity packet.

Step 2. Cut your customized character images out using a scissors.

Step 3. Take the Safe T Riders wherever you go. Photograph and share their adventures with family and friends. Most importantly make sure to promote how to ride elevators, escalators and moving walkways safely.

Be a SAFE-T-RIDER!

For interactive games and videos please visit www.safetyriders.org and also visit www.eesf.org
Color, cutout and tape to the image on page 3 and you've got your very own elevator!
