**Re:** Visitor Summary for Chris

---

## Repeat Visitors:

**Spencer McClanahan** is the big guy who sits on the back row left. He's been coming off and on since 2013 but has never filled out a visitor card. He works at International Paper and gets the *e-pistle*. [email address here](#)

**Danielle & Jordan McCarter** are members of St. Margaret's in Millington. This was at least their second visit (12/13/15). They are tall and Jim has bushy salt & pepper hair. [email address here](#)

**Margo & Peter Ramsey** were here for the first time with 10-week old son **Clayton**. They have signed him up to be baptized on Pentecost. [email address here](#)

**Dr. Betsy Azzato** returned for a second visit and came to the welcome class. She seems excited to be here. She indicated on her welcome card that she'd like to be contacted by a member of the clergy. [email address here](#)

## Members:

**Patty Thomason** (Elisabeth Jones' sister) has started coming again. She came to the Welcome Class and filled out a 2016 pledge card. I updated her record in ACS. [email address here](#)
