

March Meeting Minutes

Treasurer report

As of March 16, 2017 our balance was \$3647.03.

Birthday Raffle

In March, the Birthday Raffle brought in \$19. This is a fun way for the guild to raise money each month to cover the cost of our meeting space. If you have a birthday in April please bring a goody to raffle (\$10 or less). Items can be anything sewing related!! It is \$1 for 2 chances to win a birthday raffle! All members are encouraged to participate.

Block of the Month

The winner of March's BOM Lottery was Chris! April's BOM is the Funky Wrench – Nuts & Bolts. This block should have red, turquoise, yellow, orange and lime green with white or a white on white (no low volumes for this one).

Sew-In

On April 8th, the guild will be hosting a sew-in where members will be learning how to make the Reusable Market Tote. Details will be on the blog.

Swaps and Challenges

At April's meeting, name tags will be exchanged for the Name Tag Swap. The next challenge coming up is the Animal Challenge. Members drew an animal at random and their projects will be revealed at the June meeting. This is a challenge, so members will make something for themselves based on the animal that they drew. Secret Sister gifts were also exchanged and they will be revealed in April.

Raffle Quilt

Emily was gracious enough to quilt the raffle quilt, Jumping Puddles. The quilt is now with Cindi for binding.

Charity Quilts

Officer Erica was at the meeting to accept the quilt that was made for her.
