

About the Foundation of Denville

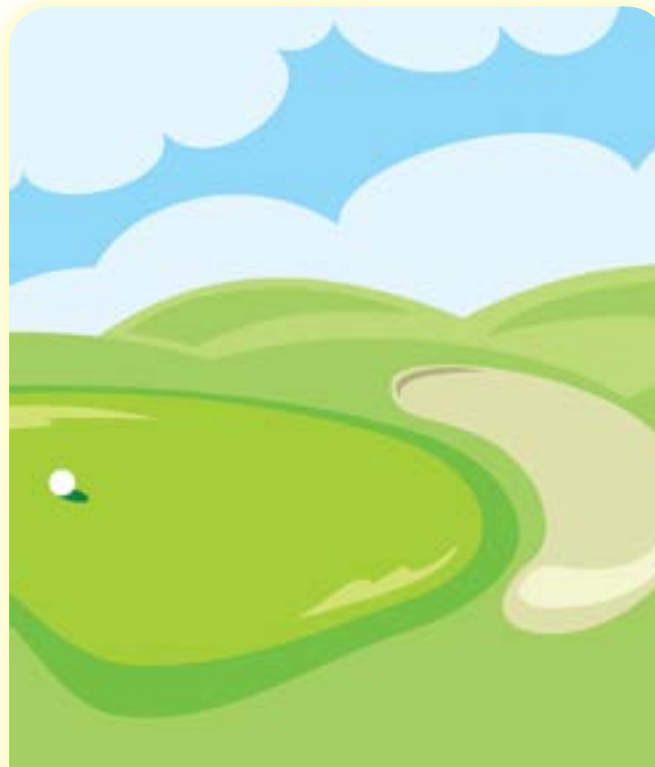

The Foundation of Denville is a local, non-profit 501(C)(3) corporation which has been established to:

- Recognize and promote education excellence in the Denville K-8 public schools
- Generate private funding and community support for Lakeview Elementary, Riverview Elementary, and Valleyview Middle Schools
- Operate on a model common to all Local Education Funds in which collaboration between educators, families, individuals, extended community groups, corporations and businesses, provide a foundation the ability to launch initiatives which will lead to school improvement

The Foundation of Denville hosts fundraisers during each school year. Proceeds raised go towards achieving our near and long term goals. One of these important fundraisers is this fun-filled, charity golf outing that will take place on Monday, September 25, 2017 at the renowned Rockaway River Country Club located conveniently in Denville, NJ.

We look forward to your support in working towards improving the educational experiences for Denville's students. More information on The Foundation of Denville can be found at www.foundationofdenville.com.
