## CELEBRATION OF GASTRODIPLOMACY AT MÖVENPICK IN ACCRA

The Embassy Chef Showcase, hosted by Accra Premium, provided a spectacular blend of products and events comprising an international showcase of gastrodiplomacy. Benefiting the AccraPremium Foundation Children’s Museum Project at the Ghana National Museum, the event showcased the food of 16 Diplomatic Missions based in Accra, including Switzerland, USA, Italy, Korea, Brazil and several others, with a goal of learning about other cultures through food. Aside from the myriad culinary adventures, visitors were treated to various exciting performances, including music by Ofie Kodjoe and Toni Manieson, and Korean folk and Azonto dance, among others. Various vendors provided amongst other delights, a tigernut milk drink, yam balls, Nederburg wines, and smoked salmon sashimi. The event was very well supported and an estimated 350 guests were served over the course of the night. 🍷
