

HINTS & TIPS

Spagetti™ & Fruitti™

WONDERFUL™
SPECIALTY THREADS

ABOUT

Spagetti™ and Fruitti™ are both 12wt Egyptian cotton threads, double gassed and mercerized with very low lint. Spagetti™ is available in 60 saturated solid colors and Fruitti™ is available in 41 variegated colors, both coming in 400m (437yd) spools and 1200m (1312 yd) cones.

APPLICATIONS

Use Spagetti™ and Fruitti™ for hand and machine quilting and embroidery, sergers, sashiko, red work, needlework, upholstery, leather work, decorative stitching, handwork, and crafts.

SEWING:

Spagetti™ and Fruitti™ are low lint cotton threads. Clean the bobbin case area as required. Slightly loosen top tension and sew at a moderate speed.

Avoid using automatic scissors. Avoid using automatic needle threader.

For machine embroidery, use designs digitized for 12wt threads.

For hand sewing, use a cut length equal to fingertip to elbow.

THREAD

12wt - 3ply Egyptian cotton
double-gassed and
mercerized.

Finish: matte

BOBBIN THREAD

- Konfetti™
- DecoBob™

RECOMMENDED NEEDLE SIZES

Machine:

- 90/14, 100/16 topstitch
- Longarm - 18

Hand:

#7 embroidery

USES:

Ideal for topstitching, decorative sewing, quilting, and handwork. Use anywhere that you want the thread to make a bold statement.

STITCH LENGTH:

Lengthen straight stitch to 3.0. Choose simple decorative stitches and make the decorative stitch wider and longer to accommodate the heavier thread.

SPOOL POSITION:

For optimum results with the 400m reels, use the horizontal spool pin rather than a thread stand.
