InvisaFil™ Mini Packs:

Our ultra-fine 100wt InvisaFil™ thread is now available in mini-sized spools! Each InvisaFil™ Mini Pack contains a selection of six 400m spools with 10 colour sets available for you to choose from. These Mini Packs are the perfect choice for anyone who needs a variety of colours without the need to purchase larger spools, or a great way for those who want to sample InvisaFil™ for the first time!

Five InvisaFil™ Mini Pack colour sets contain colour selections inspired by Vikki Pignatelli, teacher and quilter enthusiast.
