\$750 USD

SPECIFICATIONS:

Eleganza is a 8wt 2 ply 100% long staple Egyptian cotton thread. Ingeniously double gassed and mercerized - this impeccable quality of Eleganza results in a smooth, lustrous surface allowing the thread to glide smoothly through all types of fibers. Eleganza's tight twist creates beautiful firm stitches and its surface sheen gives a luxurious luster to embellishment stitchery. It is offered in a vast array of colors ranging from saturated solids, subtle tone-on-tone, or contrasting variegates. Eleganza's short variegations will give motion to your pieces and are especially eye-catching when used for wrapped stitches such as Bullion Knots or Drizzle Stitches, due to the frequent color change. Eleganza is available in 5g or 10g balls or reels.
